FREQUENTLY ASKED QUESTIONS

1. How will you know I need extra help?

For many of you, we will have attended your school review and will have been told about your needs.

C&K Careers and Calderdale MBC will also tell us about you.

They will all tell us how you work best, your interests, what you want to do when you leave school and so on.

But, you know yourself better than anybody else does so the more you can tell us the better we can help you.

FREQUENTLY ASKED QUESTIONS

2. What should I do if I need extra help?

Please make sure you tell us on your application form if you have a learning need or disability. We will contact you to talk about any help you need. We will attend your interview with you if you need us to.

Once at College you can talk to our highly qualified staff who will assess your needs and discuss your support with you. Your Personal Tutor will also work closely with you.

The one thing you shouldn't do is wait and try and manage on your own, the sooner you ask for help the better it is.
